TO WHOM SO EVER IT MAY CONCERN

This is to certify that M/s Inconel Pune have supplied us more than thirty Vortex flow meters and a few batching controllers for our Roha, Mahad and Pune plants for various applications like :

Water

Organic Solutions

Inorganic Solutions

Acidic Solutions

Alkaline Solutions

Steam

We are satisfied by the trouble free performance, accuracy and repeatability of the meters. The meters are maintenance free and giving satisfactory performance since last five years. We don't hesitate to recommend Inconel Vortex flow meters to others.
